

# Education Week Online Advertising Specs

- Updated 8/24/2017 -

All materials are due the Friday two weeks preceding the ad run. Due dates are firm. Missed deadlines may require rescheduling of your order.

Inquiries about your order should be directed to your sales representative.

Any questions about advertisement specifications should be directed to the Advertising Production department at [ad-production@epe.org](mailto:ad-production@epe.org).

---

Send all materials to Joslyn Nedeau at [ad-production@epe.org](mailto:ad-production@epe.org)  
Please include the advertiser's name and product name(s) in the subject line

## Interstitial

---

- Materials required: - 640x480 banner ad and landing page URL. (GIF, JPG, or third-party tags. 72 DPI, 150k max.)
- Other instructions:
- Banner ad animation, if used, may not exceed 10 sec, 18fps, and may not loop more than 3 times.
  - If your company uses a 3rd party ad service (such as Atlas or MediaPlex), and the 3rd party service supports the use of the IAB's "Impression Exchange" protocol, please include Impression Exchange code in all ad tags.
